Placentia Is Awarded All-American City Title In National Municipal League Sponsored Contest

Vic Michel, chairman of the All-American City Committee, left, and Placentia Mayor Robert Finnell unveil the All-American City plaque at the official city announcement of the award Monday morning.

PLACENTIA—The selection of Placentia to be honored as an All American City was announced Monday morning jointly by the city administration and the Saturday Evening Post. Placentia is one of nine cities nationally to be so honored.

The All-American City award is given to recognize outstanding civic achievements brought about by citizen action and involvement. These can range from solving minority problems to instituting a new system of city government.

Placentia was honored because of the many citizen-directed efforts taking place over the past few years. Among the most

important was the Atwood self-help project, the only one of its magnitude in the nation, where citizens banded together to fight unsatisfactory zoning and to annex to Placentia so that they could redevelop their community.

Other items recognized by the awards committee were the passage of the park bond issue in 1968 and completion of the city park system, teen representation on two city commissions, the forming of a teen cabinet, the volunteer program, the La Jolla overpass project, the parkette program and the Little League snack shop construction.

It began back in September

when a citizens committee headed by former mayor Vic Michel sent an application to be considered as an All-American City. It was announced last October 14 that Placentia was one of 18 cities named a finalist.

Only one other city in California, Santa Fe Springs, was also honored. The other seven cities honored were Beloit, Wisconsin; Carbondale, Illinois; Chickasha, Oklahoma; Jamaica, New York; Lowell, Massachusetts; North Branford, Connecticut; and the Twin Cities area of Minnesota.

Placentia policeman attaches the All-American City flag to the flagpole in front of the Backs Building to run it up the pole for the first time Monday morning.

Shopping Center Approved By Planning Commission

PLACENTIA — A use permit to allow a shopping center on Yorba Linda Boulevard between Bradford Avenue and Kraemer Boulevards on 14.86 acres was approved by the Planning Commission last week. In addition site development approval for the center was given.

The center is being developed by Diversified Shopping Centers, Inc. of Newport Beach. So far an Alpha Beta food market is planned for the site.

Under the use permit several uses were allowed to come into the center. Other uses deemed less desirable by the Planning Commission were placed on a

separate list and will be judged on an individual basis.

Under approved plans the center will be set back from the street facing north and will have a large landscaped parking lot under Town Center zone restrictions.

Use Permit Approved By Commission

PLACENTIA — A use permit and site development approval has been granted for a 280-unit apartment complex to be located on 14.40 acres on the northeast corner of Kraemer Boulevard and Crowther Avenue in the unclassified zone by the Planning Commission.

Density on the property, which is now owned by Edward P. Backs, will be about 20.41 units per acre. The buildings will be grouped in 25 structures of eight or 16 units. A total of 41.5 percent of the property will be in landscaping or open space.

Commissioners also approved a use permit for Oranco Industrial Properties for 3.66 acres on the northeast corner of Orangethorpe Avenue and Placentia Avenue for use by Brian Chuchua for an automobile sales and service agency. Chuchua presently runs an agency in Fullerton. Site development approval for the agency was continued for two weeks to allow the developer to work on site plans.

Also continued was a tentative tract map and use permit for a 344 unit condominium development on the northeast corner of Kraemer Boulevard and Golden Avenue. The development was brought to the commission to get its thinking on several problems facing the developer and staff in the layout of the project.

Consideration Of Zoning Law Delayed By Council

YORBA LINDA—Consideration of the new zoning ordinance will not begin until April 25 following City Council action last week at its regular meeting.

The new ordinance was recommended for approval by the Planning Commission, which urged that it be adopted as soon as possible. The ordinance is designed to implement the general plan.

The argument of Roland Bigonger, Whit Cromwell and George Machado, who favored putting the ordinance off until after the election, was that the general plan, which the ordinance is designed to implement may or may not be approved. Also the councilmen felt that the new councilmen should be involved in approving the ordinance since they would have to live with it.

Planning Director Brian Hawley said that the question of whether or not the plan is approved is pretty much immaterial since the

ordinance will fit any general plan with the same type of categories of land use.

A referendum will be held at the April 11 election to determine whether the general plan adopted by a 3-2 vote last fall will continue to remain in force.

John Tynes Is Named New Placentia Superintendent

PLACENTIA — John Tynes was named Superintendent of the Placentia Unified School District Monday evening by the board of trustees, replacing Dr. Murrell M. Miller, who has resigned as of June 30.

Tynes has been serving as Chief Administrative Officer of the district since Miller's resignation last November. He has exercised all the powers of the office of superintendent, being responsible for all internal affairs of the

district.

In naming Tynes to the position of superintendent the board expressed its confidence in the reforms he is attempting to make in the district.

Tynes has been in the Placentia Unified School District since the mid-1940's, first as a teacher of physical education and athletic coach and in more recent years as director of physical education for the district. He was the board's representative for employer-employee relations before assuming his present duties.

Annexation Meeting Set At Glenknoll

YORBA LINDA — A public meeting to discuss Annexation 71-3 will be held Thursday evening, March 2 at 7:30 p.m. at Glenknoll School.

Yorba Linda city officials will present information concerning the city and the proposed annexation of the Fairgreen-Fairview-Fairbrook area to Yorba Linda.

The annexation failed in 1970 by three votes. The annexation attempt includes an additional 40 acres to the east of Fairgreen planned for condominium homes by the McCarthy Company, whose representatives will be invited to outline their development plans at the Thursday meeting.

Crosswalk Is Denied By City Council

YORBA LINDA—The City Council again denied a request to place a crosswalk across Fairmont Boulevard to Fairmont School at Nova Street because of danger to children in the walk from cars on Fairmont.

The Lynridge Homeowners Association had requested the crosswalk because they said children would cross the street there to go to the school to play and should have some protection.

Councilmen said that a crosswalk there would be extremely dangerous and added that studies showed that more people, including children, are killed in crosswalks than outside of them.

The council did approve a crosswalk across Nova at Fairmont and the posting of school zone signs along Fairmont at the school.

Yorba Linda Mayor Henry Wedaa and Mrs. Norman Lambert, Yorba Linda Woman's Club president, welcome Orange District President Mrs. Wallace Bagley, left, and Orange District Junior President Mrs. Robert Calderwood, right, to the 60th anniversary meeting of the club held last Tuesday.

What's Going On In The Placentia District

Since John Tynes was appointed Chief Administrative Officer for the Placentia Unified School District in November 1971, many positive things have occurred to re-install confidence in the school district's administration.

When questions are asked, direct answers are given. Problems have been met head-on . . . and resolved. The days of inept and bungling responses, and indecisive maneuvering are apparently a thing of the past. John Tynes deserves most of the credit for this turn-about, and the parents and kids of this district have a lot for which to be thankful.

But, there is one thing in particular that we don't understand; the many, many Board Meetings that apparently are necessary to conduct District business, and the continued lengthy closed-door executive sessions.

For the record, we are reprinting the Board policy on Executive Sessions:

Executive Sessions

"All Board meetings shall be open to the public except that executive sessions may be held during regular or special meetings for the following purposes: To consider expulsion, suspension, or disciplinary action in connection with any pupil; to consider the appointment, the employment or dismissal of a public officer or employee; to hear complaints or charges brought against a public officer or employee; to consider matters affecting the national security. Executive sessions may also be held by the Board with its designated representatives prior to and during consultations and discussions with representatives of employee organizations regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits to employees, in order to review its position and instruct its designated representatives. (Government Code Section 54957.6)

"A representative of the County Counsel's office or the Board's private attorney may meet with the Board in executive session with respect to any matter which falls within the attorney/client privilege area. Such matters could include pending or potential litigation or other matters where legal expertise is required and where it is in the best public interest to keep confidential the legal advice obtained or to keep confidential the information necessary to obtain such advice.

"Whenever an executive session is held, the Board shall reconvene in public meeting, if possible. Any action following such deliberations shall be taken openly in public meeting. Any decisions or agreement to take action at a future time must be announced at the end of executive session."

Either the PUSD has the highest number of pupil disciplinary actions in educational history (which we doubt) . . . or a fantastic amount of internal employee negotiations and complaints (which we doubt, also), or the Board is keeping the County Counsel's legal staff extremely busy on related matters behind closed-door executive sessions. We doubt this, too.

Here's the rundown on Board meetings from October thru February 23.

	No. Of Mtg.	Reg. Mtg.	Adj. Mtg.	Spec. Mtg.	Total Time Of Meetings	Total Time In Exec. Session
OCT.	8	2	2	4	35 hrs. 5 min.	15 hrs. 6 min.
NOV.	9	2	5	2	38 hrs. 52 min.	16 hrs. 26 min.
DEC.	3	3	1	1	15 hrs. 19 min.	5 hrs. 19 min.
JAN.	9	2	3	4	37 hrs. 44 min.	16 hrs. 47 min.
FEB.	5	1	2	2	29 hrs. 15 min.	15 hrs. 27 min.
	34	8	13	13	156 hrs. 10 min.	69 hrs. 5 min.

This is ridiculous! The Board has had three meetings that totaled over 22 hours in length . . . 17 hours and 43 minutes of which were conducted behind closed-doors.

What's going on? Who is responsible for this inordinate amount of meetings and closed-door sessions? Why is the pattern of these lengthy meetings allowed to continue with little or no action taken by the Board of Education at the close of the meetings.

Perhaps the members are worn out by the time they adjourn! We will have more on this subject next week.

Congratulations On All-America Award

The people of Placentia have been accorded a singular honor by the National Municipal League. Placentia was named an All-America City for its development of community betterment through citizen action. The story of the award appears in the current issue of the Saturday Evening Post.

It is interesting to note that this award goes to the people . . . not to any individuals or groups, not to the city fathers . . . but to the citizens of the entire community!

Congratulations, Placentians. Take a bow!

Many good things have happened in the past . . . and are happening now.

Jan Thomas, Valencia student and Teen Commissioner, quoted an old proverb as a part of the Municipal League presentation that made a lot of sense. "If there's no wind, row." She added, "Boy, did we row. Rowing makes waves, but in our case, they were all good waves."

Placentians should take the challenge and continue to "make waves." There is much work still to be accomplished.

Four fine debaters, Dan McLoon and Barry Zoeller of Valencia and Heidi Boehm and Jean Youngquist of El Dorado High School were debaters

at the Lions Club breakfast last week. McLoon was the winner and was chosen to represent the club in the next step in the clubs' debate sessions set for March 21 at the Anaheim Lions Club.

McLoon is now entered in two contests, The American Legion and the Lions Club. In the American Legion contest, he has reached the semi-finals and will soon be heard in the Regionals. Atwood Center Continues

Placentia Junior Round Table's continued involvement in Atwood was assured when the general membership voted at their February 23 meeting to donate \$180 to the Atwood Community Center Association to pay the final balance due on the community center's

building.

The Juniors have sponsored a weekly preschool for the Mexican/American children of Atwood as an education project for the past two years. They also initiated the Atwood Mothers Club last November, with the purpose of organizing the

preschool on a permanent basis.

Community involvement and support by many agencies and individuals have helped to keep the Center alive, especially after it lost Community Action Council funding early this year.

"The project will be presented to SMILE in the near future. Meanwhile, we want to make sure these people have a building to use as their Center," stated Mrs. Walter Plegel, Education Chairman of Junior Round Table.

Fullerton Trailer Club Travels To Corona

The Fullerton Trailer Club with twenty-seven trailers and two guest trailers met at the Clay Canyon Camp in Corona for their February outing. Wagonmasters were Kenneth Foster, J.M. Bergman and George Timmons. A mobile kitchen was set up for outdoor cooking with a surprise birthday breakfast given in honor of Timmons.

Jim and Gen Pickering held an open house at which

time they showed their new 30-foot Streamline trailer. Refreshments were served by the host and hostess.

Club President Chester Palmer conducted a board and general meeting and threw in a few surprises of his own which brought many a chuckle.

Fishing, dancing and dinner reservations nearby made the outing most pleasant for the group.

Women Set Talent Show

The Christian Women's Fellowship of the Eastside Christian Church will present their second annual talent show night on March 3 at 7:30 p.m. at the church.

Hostesses will be Dorothy Mallett, Joanne Pinkerton, Joan Nicols and Marilyn Deevy.

The public is invited.

\$100 Is Donated To Area School

Mrs. Melvin Schwartz, mental health chairman of the Fullerton Junior Ebell Club, announced the donation of \$100 to the Helping Hands School for the Mentally Retarded, 2505 Yorba Linda Blvd., Fullerton. This school gives boys and girls who are not

acceptable in the public schools the companionship, social relationship and opportunities to display their capabilities.

The check was presented to Mrs. Jessie Ohm, founder and director of the school, at the Eastside Christian Church, which is the

sponsor of the school. The Helping Hands School holds its classes in the empty Sunday school classrooms of the church during the week.

This donation will help pay expenses on upkeep of the school bus.

Digesting The Facts About Digestive Disorders!

When people who have recovered from some digestive disorder through chiropractic care meet with other people having a similar disturbance, the person now suffering is usually urged to consult a Doctor of Chiropractic. Under such circumstances the question is sometimes asked, "How could a Doctor of Chiropractic help my indigestion by working on my spine?"

Dr. Donald Brinkley

In answer, we contacted Dr. Donald Brinkley of the Brinkley Chiropractic Centers.

"The spinal column is just the Doctor's of Chiropractic avenue of approach. His purpose is to restore normal action to spinal nerves whose branches distribute to various parts of the body."

"There are," stated Dr. Brinkley, "many daily activities of life that could result in vertebrae slipping from normal position. When displaced vertebrae interfere with normal action of spinal nerves, then there can be disease in the affected nerve or in the organ to which that nerve distributes."

"In aiding a sick person to recover health," continued Dr. Brinkley, "the spinal column becomes the Doctor's of Chiropractic avenue of approach. His purpose is to remove interference with spinal nerves and permit nature to restore health to the part to which the affected spinal nerve distributes."

According to Dr. Brinkley, in discussing digestive disorders one can overlook a very common cause for "indigestion" if he overlooks the fact that some branches off spinal nerve trunks help regulate circulation to digestive organs and other branches off spinal nerves influence action of muscles found in the walls of the digestive organs.

FOR INFORMATION ON HEALTH PROBLEMS CALL THE CHIROPRACTIC HEALTH INFORMATION BUREAU 525-0293 AND ASK TO SPEAK TO A DOCTOR OF CHIROPRACTIC.

"Vertebrae subluxations," Dr. Brinkley states, "can interfere with the action of these nerves. Vertebral subluxations can be the cause of digestive disorders." That is why Chiropractic care, by correcting vertebral subluxations, can set the stage for recovery from "indigestion."

Many thousands of people who have been victims of digestive disorders are grateful to chiropractic for the recovery of health.

Astro-Nibs

by Arthur L. Drake

(A STATISTICAL MEASUREMENT OF ASTROLOGY)

A hearty salute to the fire sign of Sagittarius (Nov. 23-Dec. 21 born)! According to Astrologers, natives of this sign are considered to be the best-balanced people of the Zodiac. The "Archer" is usually broadminded and tolerant; truthful and humorous - with a mature insight. Therefore, shouldn't there be a bumper crop of shining lights in every sphere from this sign?

"Astro-Nibs" has resorted to baseball statistics for its initial measurements on the allegations of astrology. There were 85 Sagittarian-born players on Major League baseball rosters during the Spring of 1971. This compares, interestingly enough, to the 86 each for the other two fire signs - Aries and Leo. Likewise, there is the balance previously noted with these related signs for all positions. Was 1971 a good year for the Archers? Let's examine the position-by-position best in baseball for Sagittarius:

		TEAM NO. 1		1970	1971
PLAYER	BIRTHDATE	POS.	TEAM	BAT. AVRG.	BAT. AVRG.
Jim Northrup	11-24-39	1B	Tigers (AL)	.262	.270

Stan Bahnsen	12-15-44	P	Yankees (AL)	(14-11) 3.32	(14-12) 3.35

Walter Alston (12-1-11), peerless leader of the Dodgers, was the only Sagittarian manager in 1971. Howard Edwards (12-10-37) Phils, Harvey Kuenn (12-4-30) Brewers, Cal McLish (12-1-25) Expos, Irv Noren (11-29-24) Athletics, Danny Ozark (11-26-23) Dodgers and Wes Westrum (11-28-22) Giants were the Archer-born coaches during the 1971 season. Stan Landes (12-8-23), Andy Olsen (11-30-31) and Mel Steiner (11-29-20) were all National League umpires in 1971.

One final Sagittarian Niblet - to mention that the 1971 fiasco on the California Angels squad between Alex Johnson (12-7-42) and Chico Ruiz (12-12-38) and the tragedy of Chico's death earlier this year in a car accident. Alex attended the funeral held in San Diego.

Next Week: The secret world of Capricorn (-or didn't you know that Howard Hughes and Aristotle Onassis are Capricorns?)

Tax Facts

Moving Expenses Are Tax Deductible

If you were transferred by your company or if you moved to take a new job you may be able to deduct many of your moving expenses, which were not reimbursed by your employer, according to H & R Block.

Under pre-1970 law, you could deduct the cost of moving your household goods and your family if the distance between your new place of business and your old residence was 20 miles greater than the distance between your old place of business and your old residence, and if you worked in the new area for at least 39 weeks (the 39 week rule may be waived if your employer transfers you sooner). The deduction was not available to self-employed persons.

The new law has expanded the distance to 50 miles and now includes self-employed persons (self-employed persons must work 78 weeks in the new area, at least 39 of which are in the first 12 months).

In addition to those items which were deductible in the past, persons shifting their place of work can now deduct (1) travel, meals and lodging expenses for pre-move house-hunting trips; (2) expenses of meals and lodging near the new job location for up to 30 days; (3) expenses related to the sale of or settlement of a lease on the old residence or the purchase or lease of a new one.

The deduction allowed for these three additional categories is limited to \$2500, with expenses for house-hunting and temporary living limited to \$1,000 of the total. Any reimbursement must be included in your gross income before the expenses can be deducted.

According to H & R Block, these changes could generate some confusion in the mind of the taxpayer. If there is any doubt as to what is and what is not deductible as a moving expense, professional advice should be sought on your tax return.

Square Dance Group To Hold Box Supper

Class and club members of the Cast-Offs, a Placentia Parks and Recreation square dance club, had an old fashioned box supper as a February activity for the group.

Boxes filled with food to satisfy the hungriest of men were decorated with hearts, flowers, ribbons and bows, and sold to the highest bidder.

Some of the more creative ladies even provided candlelight and table cloths. Mr. and Mrs. Barton Davidson took turns as auctioneers for the boxes after Mrs. Davidson coordinated the evening's event.

March activities will include a graduation party for the class members March 15 at Ruby Drive School and installation of new club officers March 18 at the third Friday night dance.

The new club officers are Gary Gaiser, president; Dan Baltazar, vice-president; Ralph Kratzer, treasurer, and Mrs. Fred Bernatzke, secretary.

The club holds dances the first and third Friday at 8 p.m. each month at the Backs Building. Lee Schmidt is the regular third Friday night caller with a guest caller at the first Friday night dance.

FOOD-FUN TIME

Rugged Charles Bronson and petite and vivacious Marlene Jobert, who are top-starred in Joseph E. Levine's exciting psychological suspense-thriller presentation, "Rider on the Rain," an Avco Embassy release in Widescreen Color, opening today at the Yorba Linda Cinema, Crossroads Center, head a cast of distinguished featured players in the film, which was directed by the celebrated French film maker, Rene Clement.

Filmed on picturesque locations in Paris and in Southern France, "Rider on the Rain" is based on an original story and screenplay by the noted French novelist and scenarist, Sebastien Japrisot, and was produced by Serge Silberman.

In "Rider on the Rain," Miss Jobert, who has won fame as one of France's foremost screen

personalities, portrays a frail young suburban housewife who is viciously raped by an escaped sex maniac. Bronson, who was chosen by Clement because he typifies the rare American actor who knows

how to perform with the powerful sobriety of a Humphrey Bogart, plays the role of an equally deceptively tough and hard-bitten American colonel in pursuit of the rapist.

Hawks Go To Marina For Swim Meet

In what Coach Walter Druff calls "the toughest meet to date," El Dorado's Varsity swim teams travel to Marina Friday for their last meet before the Orange League dual meet season opens.

The Hawks have not been severely challenged in recent weeks, and this is exemplified by El Dorado's easy 75-13 victory over Pacifica last Friday.

Marina is a good test of the Hawks strength before they enter league competition, especially since the Hawks first opponent will be one of the best teams in the Orange League in Brea, March 8.

FJC Begins Baseball

Fullerton Junior College opens South Coast Conference baseball action Saturday, March 4 in San Diego against San Diego City. Next Tuesday the Hornets will again travel to San Diego to face Mesa.

The Hornets had a good non-conference record winning the Mt. San Antonio Tourney, beating Golden West, and making the semi-finals of the Jack Salvesson Tourney in Long Beach.

FJC won the first round of the Salvesson Tourney by edging Rio Hondo 6-5.

Tigers Fall In First Round CIF

Downed by Cathedral 66-64, in the first round of CIF AA Play Valencia Tigers walked off the basketball court for the first time, as the loss ended their season.

Tom Ricks worked his way to high point man again this week, with a total of 22 points.

Team captain Jerry Marmalejo took 12 rebounds that game. Richard Hightower had the misfortune to foul out of the game in the last quarter.

Fleming, Hyams Place In Wrestling Prelims

El Dorado's Orange League wrestling champion Mike Fleming placed first at the CIF wrestling pre-lims held last Saturday at Westminster High School, and will compete in the CIF Championships Saturday at Bolsa Grande High.

Cal State Upsets San Diego

Fullerton State's basketball team upset the University of San Diego last Saturday night in the Titans gym, 99-88.

San Diego had already beaten the Titans twice before and played on even terms throughout the game.

Friday night, the Titans finished CCAA play with a 92-78 loss to Cal Poly Pomona. Fullerton finished the conference with a 1-7 record while UC Riverside, Valley State, and Cal Poly (SLO) tied for the championship with 5-3 records.

Tiger Runners Defeated By Sunny Hills

Valencia Tiger trackmen opened their season Tuesday against Sunny Hills High School, but were defeated 65-60.

Cindermen have incurred quite a few injuries. Top sprinters Dave Fujinami, Mark Zielinski, Rusty Miller, and Kevin Fuqua will be out for a while with their injuries.

Thursday, VHS traveled to Santa Ana for the Santa Ana Relays. Tigers placed in the eight-man mile, distance medley, and the sprint medley.

Tomorrow, VHS faces Loara High on the Valencia track at 3:15.

Also representing the Hawks will be Steve Hyams who finished fourth in his division. Hyams had not originally intended to go to the pre-lims, as he finished second in the Orange League and only the champion was chosen to participate.

Troy Wins Triangular Contest

Troy's varsity track team made its 1972 debut an impressive one by easily winning a triangular meet with Brea and La Serna Thursday on the Warriors' track. Troy used balance and depth in piling up 87 points to Brea's 43. La Serna had only 15.

Senior Jeff Cromwell led the Warriors with two wins as he took both the 100 and the 220 in times of 10.3 and 23.1. Other winners for Troy were Mike Durhan with a 9.56 time in the two mile, Scott Verian in the shot put at 45'9", and Jamie Ferguson in the high jump with a leap of 6'2".

Antley Is On All-American Polo Team

Guy Antley was named to the All-American High School water polo team last week by high school and college coaches from around the country.

Antley, who has been previously named to the CIF third team and was selected the Orange League player of the year, is the seventh team All-American goalie. Being on the seventh of the 12 teams is a great honor, especially considering that Antley was on a team that did not advance farther than the first round of CIF play.

Hawks Advance In CIF

El Dorado's Varsity basketball team battled Perris last night in CIF AA quarter-final action after breezing past Hemet 91-73 last Friday night.

A victory against Perris

Hawks Meet Troy High In Track Meet

After opening the season with victories over Lowell and Santiago in a double dual meet, El Dorado's Varsity track teams travel to Troy Thursday for what should be an extremely close meet.

Against Lowell and Santiago the Hawks did well without the basketball players, as Greg Kempton's victories in the 100 and school record in the 220 sparked the Hawks to a 69-58 win over Lowell and a 68-55 win over Santiago. Pat Dutzi and Mark Davenport also won events for the Hawks, as Dutzi turned in a fine 4:33 to win the mile and Davenport won the shot put with a strong 54'3" throw.

Other Hawks who took first in their events were Bobby Johns in the half mile, Tom Menn in the 440, and El Dorado's mile relay team. Brent Wood set a new school record in the two mile with his 9:46.1 second place finish.

last night would put the Hawks into the semi-finals Friday against the winner of the Miraleste, Paso Robles game. By virtue of the win against Hemet, the number two ranked Hawks extended their winning string to 17, and upped their record to 23-3. The win was also the first time any El Dorado team has ever won a game in CIF action.

The Hawks put the Bulldogs out of their misery quickly Friday, as they jumped out to a commanding 51-33 half time lead. Hemet did stage a brief rally in the fourth quarter, but the balanced attack of the Hawks turned back the Bulldogs, who relied on the tremendous play of Tim Kent to keep

them in the game. Kent set school scoring record by sinking 38 points, but he was the only Hemet starter to score in double figures, while the entire Hawk starting squad did.

Teenage Republicans recently held a work session for John Briggs at the Koch Building in Placentia. Going over material from left are Bruce Weaver, vice-president of the Fullerton TARs; Elise Scanlin of Yorba Linda, president of the Placentia TARs; and Lisa Carrington, treasurer of the La Habra TARs.

Work Party Held For Assemblyman Briggs

The Placentia TARs (teen-age Republicans) were hosts to the La Habra and Fullerton Tar groups, in a tri-city work session for John Briggs on Saturday, February 25 at the Koch

Community Building in Koch Park in Placentia.

Mrs. Charlotte Tiedt, advisor to the Placentia group, stated that the La Habra Tars under the direction of Mrs. Nancy Lindenau and the Fullerton youngsters have hosted previous Saturday work sessions or precinct walks. Mrs. Binky Delahanty is advisor to the Fullerton Tars.

Secretaries Meet For Discussion

Acquaintance by dialogue and exchange of pertinent ideas is being carried forward by the secretaries of all city managers, Board of Supervisors and county executives.

February get-together is sponsored by the La Habra city manager's secretary, Donna Holmes, and luncheon will be held Thursday, February 24, at Los Coyotes Country Club in Buena Park. Mrs. Betty Bradford, secretary to City Administrator Edwin Powell, will represent Placentia.

Community Calendar Available

"Check your calendar with the Placentia Community Calendar," Mrs. Kenneth Sjolín urged all Placentia organizations this week.

Mrs. Sjolín, newly elected chairman of the reactivated Placentia Community Coordinating Council (a steering group for all local clubs) said that the master calendar is now on public view at 131 North Bradford, the library annex, across from Placentia City Hall.

Individual organizations are encouraged to check future dates for any major event with the calendar (to avoid duplication or with Mrs. Wm. (Jeri) Wilson at 528-5538 or Mrs. Sjolín at 528-9949. Materials with dates may also be mailed to Mrs. Wilson at 4882 Hamer Drive, Placentia.

The Placentia Community Coordinating Council will hold its second meeting March 9 at 7:30 p.m. in the Backs Community Building. Every Placentia organization not now attending is urged to send a representative, Mrs. Sjolín reported.

PTA Council Meets With PUSD Board

Members of the Placentia Unified School District School Board will be the guests of the Placentia PTA Council when the Council presents their "Let's Communicate With Our School Board" theme for their meeting Thursday, March 2 at 7:45 p.m. in the Valencia High School Library.

The program will also feature the awarding of both the Honorary Service Award and the Continuing Service Award to outstanding members of the community for their contributions to youth programs and services. Mrs. Virginia Miller, Council HSA chairman, will present the awards.

The Council will be celebrating the 75th

birthday of PTA; traditionally called Founders Day. A decorated birthday cake will be served to the guests by host units for the evening, El Dorado High School and Kraemer Intermediate.

Program On Egypt Presented

"The Valley of the Kings" in Egypt was unfolded in narration and slide pictures when Mrs. Winifred Simpson entertained friends at a seminar in her home on McKenzie Drive. Laurel Simpson manned the projector and showed in pictures what Mrs. Simpson narrated.

The early life in Egypt and that of the famous life and tomb of Tutankhamen was seen. Following the art seminar, tea was served the guests.

Retirement Party For Dahl Held

Retirement is a big step in the life of a man so the daughters of Henning Dahl, 3738 Lakeside Drive, Yorba Linda, decided to mark the occasion with a surprise party when their dad retired from his position with Sierra Electric. Mrs. Larry Haller and Mrs. Darrell Crum hosted the evening buffet supper in the Haller home last Tuesday.

After gifts appropriate to the occasion were opened, those attending were treated to a short recitation of incidents in their life by Mrs. Dahl. It was also noted that Henning had missed only two days due to sickness in his sixteen year history at Sierra Electric. They talked about their new life at Lake Park and introduced some of their new friends to the group.

Attending were Messrs. and Mmes. Gene Alley, Scott Laidlaw, Adin Capron, Charles Loy, Wayne Lynch, Rudy Castro, Al Rylette, Kew Kirgis, Mark Kelly, John Westling, George Mullen, Merle Smith and Ray Rhoads.

Miss Zerger Is Awarded Scholarship

Pat Zerger has been accepted at Pepperdine College with a \$300 tri-semester scholarship and Carol Bishop has been accepted at U.S. International University. Both are graduates with the June 1972 class at Valencia High School.

Tikvah To Hold Seder On March 30

Temple Beth Tikvah will hold its annual community Seder on Thursday evening, March 30, at 6 p.m. at the Hilton Inn in Fullerton.

The Seder is the traditional service at the ceremonial supper served on the Jewish Passover and is based on the Haggadah, the book of services for Passover.

The Passover festival, originally a nature festival to celebrate the coming of spring, later became a historic holiday to commemorate the deliverance of the Jews from bondage in Egypt.

Reservations should be made by March 20 by calling Mrs. Alan Holley at 529-4042, Mrs. Harold Fried at 772-4078 or the Temple office at 871-3535.

Cutting the ribbon to open the Herbert L. Miller Tire Co., store at Bradford and Center last week were, from left, William Beggery of the Chamber of Commerce, James E. Mahoney, president of the company; Joseph Furey, vice-president; Miss Placentia Linda McClintock; Placentia Vice-mayor Robert Langer; Store Manager Jim Hoover; and T.A. Shinn Jr., also of the Chamber of Commerce.
